

Alibaba.com Assessed Supplier

Main Product Lines Verification Report

Presented to

TOKO New Material Technology Co.,Ltd

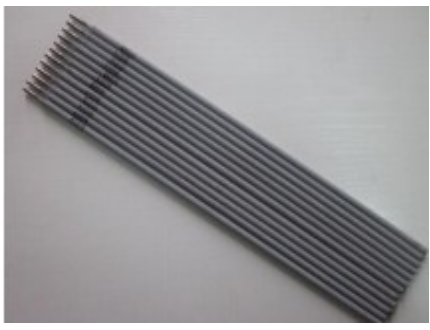

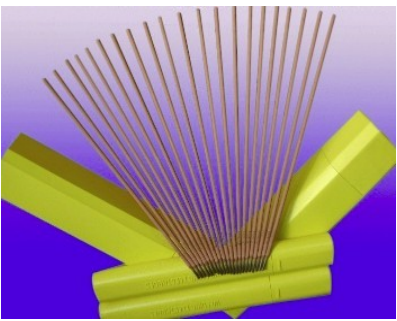

Consigner of Assessment:	Alibaba
Supplier Name:	Wuxi TOKO New Material Technology Co.,Ltd
Contact Person:	William WU
Phone Number:	008-510-8359 5138
Fax Number:	0086-510-8359 7138
Email:	threevic@gmail.com
Website Address (URL):	www.tokomaterials.com
Group Company Name:	TOKO Group Limited

Service provided by Bureau Veritas Certification

Report No.: 5282638_P+T

Section 1: Welding Electrodes & Wires

1.1 Production Line Description		
Welding electrode is used for welding of acidic carbon steel, alkaline carbon steel, structure steel, high temperature steel, stainless steel, cast iron, low alloy steel, surfacing, Ni and Ni alloy, applying in mines, bridge, ship, machinery and automobile industry.		
1.2 Products Sample		
1, AWS E6013 Welding Electrodes Ø2.5mm	2, AWS E6013 Welding Electrodes Ø3.2mm	3, AWS E6013 Welding Electrodes Ø4.0mm
		
4, AWS E7018 Welding Rods	5, AWS E6013-7018 Welding Rods	6, AWS E7018, E6013 Welding rods, ER705-6 Welding Wire
		
7, AWS E6013 Packing Photo	8, AWS A5.18 ER705-6 Welding Wire	9, AWS A5.18 ER705-6 Welding Wire
		

10, AWS E6013 Packing Photo	11, Photos of Warehouse	12, Photo of Container loading
		

Trading Capacity	
	Actual Units Exported(Previous 12 months)
	500 MTs/ Month
