Corevale Europe Limited

DjoXkz IBC Scrap Division

DjoXkz IBC Scrap Division is a trading company and exporter of different types of ferrous and non-ferrous metals scrap worldwide.

Thanks to its team of experienced professionals and strong knowledge of the products traded, DjoXkz IBC is able to propose flexible and tailor made solutions to its clients and buyers, always guaranteeing the quality of the product ordered.

Our target is to propose to our counterparties the solutions they require for their needs with secured transport arrangement for each business.

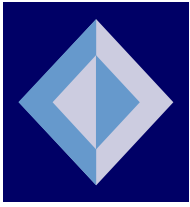

We trade all types of scrap, more specifically:

- Alloy Scrap
- Basic Metals Scrap
- Minor Metals Scrap
- Precious Metals Scrap
- Rare Earth Metals Scrap

Our purchase offices are situated in Dubai and Hong Kong as the sales office is located in the Netherlands from where we supply and sell our scrap to our clients.

Please send your detailed request for quotation including quantities and delivery terms to djoxkz.scrap.division@gmail.com in order to inform you about the possibilities we have to supply the demanded product.

We are always looking to form new relationships with suppliers, other trading companies, and consumers anywhere in the world, so please let us know if interested.
