

## Company Introduction

Established in September 2005, Dongguan Yufang Steel Co., Ltd. is located in Dongguan City, covering an area of 23,000 square meters. The superior location provides us with very convenient transportation and good environment.

As a large-scale private enterprise, our company specializes in the domestic and imported special steel and die steel, including plastic die steel, hot work steel, cold work steel, alloy structural steel, bearing steel, high speed tool steel, carbon steel and stainless steel in different specifications. As an authorized dealer of Shanghai Baosteel, TISCO Steel, BUDEUNS, Daido Steel, ASSAB, Sichuan Pangang Steel, Foshan City Mould Steel and Liaoning Yingkou Steel, our company is exploring international markets while developing the markets in China (Guangdong, Tianjin, Shandong, Liaoning and Dalian). We have good cooperative relationships with more than 20 foreign importers in different countries and regions, such as Japan, Korea,

 [Contact Supplier](#)

India, Malaysia, Brazil, Germany, Belgium and the Middle East.

Our company has introduced large-sized vertical saw machines, horizontal saw machines, milling machines, grinding machines and other advanced equipment. We export our products by wholesalers and retailers and our products can reach the domestic and international quality standards.

We insist on the principles of "reputation first, customer is our God" and "honest, pragmatic spirits are directing our production and sale", in order to serve our valued customers with convenient, top speed and the best services.

Providing high quality and favorable prices, we are sincerely looking forward to establishing mutually beneficial and long-term relationships with importers from all over the world. Please feel free to contact us for further information!
