

STANVAC - SUPERON GROUP

CORPORATE PROFILE – PASSIVE FIRE SUPPRESSION

We have pleasure in introducing ourselves as India's leading organization in the field of high performance industrial maintenance consumables – welding electrodes, stainless steel wires, protective coatings, speciality lubricants....

Our group was established in the year 1994 & today comprises of three organisations:-

Stanvac – Superon Group : Corporate Office, Gurgaon, Haryana, India

- a). **STANVAC CHEMICALS INDIA LTD, NEW DELHI** : Import & Distribution of specialized Industrial Maintenance Consumables, Electrical Cleaning & Insulation, Passive Fire Protection, Speciality Lubricants, Environment Friendly Industrial Cleaners, Long duration Corrosion Protection Coatings... via exclusive tie – ups with various global leaders:

M/s Aervoe Industrial Inc-USA, Conoco Philips-USA, Chemtool-USA, Sentinel-USA, Weicon - Germany, AIK Flammadur-Germany, Action Can-UK, Chemcoint-UK....

- b). **SUPERON SCHWEISSTECHNIK INDIA LTD** : Licenced manufacturing of a range of Welding Electrodes (Conventional as well as Maintenance), Stainless Steel Wires, Lubricants, Passive Fire Materials, Anti-Corrosion Coatings, Aerosol Sprays in technical collaboration with:

- ★ M/s Oerlikon Schweisstechnik AG-Switzerland (Air Liquide Group-France)
- ★ Kjellberg Finsterwalde-Germany
- ★ Aervoe Industrial Inc-USA, Sentinel-USA...

In addition at our TUV certified, state of the art stainless wire drawing facility, a full range of stainless steel MIG & TIG wires, in different grades are being produced, using imported equipment & the highest international processing standards, for world class quality, superior to that presently available in India.

- c). **SUPERON HYUNDAI** : Authorised Sales & Service M/s HYUNDAI MOTORS LTD - Gurgaon region, New Delhi.

Group turnover is Rs >500 crs (USD 90m) per annum, with over 1500 employees including sales & service engineers. We have 350 stocking distributors located all over India.

Plant II – Manesar : Welding Electrodes, Aerosols & Speciality Lubricants

Plant III – Gurgaon : Stainless Steel Wires & Speciality Coatings, Fire & Anti - Corrosion

State of the art, ISO certified manufacturing facilities are located at Okhla - New Delhi, Manesar & Gurgaon -Haryana .

Our organisation is a national leader in advanced technology industrial maintenance consumables & we offer a single window supply & service source for world class fully warranted supplies.

Today, in India, our range represents the most modern technology and the highest quality currently available world-wide, in these product segments.

Significant improvements in equipment safety and functioning are therefore now possible with the greatest of ease through the usage of our products in diverse areas such as:-

1. Electrical Cleaning & Insulation Materials.
2. Conventional & Maintenance Welding Electrodes.
3. Long term Single & Two Component Anti – Corrosion Coatings.
4. Specialty Lubricants, Greases & Rust Preventatives.
5. Versatile & Easy to use Fire Suppressants, Cavity Sealants..
6. Leakage Prevention Sealants & Cold Repair /Reclamation Technologies.
7. User-Safe & Environment Safe Industrial Degreasers, Rust & Scale Removers, Paint Strippers...

Specifically, insofar as Passive Fire Suppression products are concerned, we currently manufacture & market the following:

- a) Water Immersion & Weather Resistant Intumescent Fire Suppression Cable Coatings.
- b) Expanding Type Non-Porous Water Resistant Mortar Based Firestop Barriers.
- c) Mineral Wool Based Firestop Barriers.
- d) Clear Coatings for Fire Suppression on Wooden Surfaces.
- e) Fire Retardant Alkyd Paints.
- f) Fire Retardant Tarpaulins.
- g) Fire Retardant Fabric Coatings.

Products are tested & certified to meet key international standards, from reputed test labs – M/s FM Approvals, USA & M/s CBRI, India.

We have over 10,000 Industrial Customers all over India including top Indian companies in the core sectors, as follows:-

- a). **OIL & PETROCHEMICALS** – M/s RELIANCE, IOCL, ONGC, HPCL, BPCL, NFL, IFFCO, TATA CHEMICALS....
- b). **STEEL** – TISCO, SAIL, ISPAT, ESSAR, BHUSHAN, VIZAG STEEL, JINDAL, VIRAJ....
- c). **CEMENT** – ADITYA BIRLA – UNITS, BK BIRLA GROUP, ACC, GUJRAT AMBUJA, LAFARGE, SANGHI BINANI....
- d). **POWER** – RELIANCE ENERGY, TATA POWER, BSES, NDPL, NTPC, NHPC, NPCIL, POWERGRID, SEB's....
- e). **AUTO** – MARUTI, TATA MOTORS, HONDA, HYUNDAI, HERO GROUP....
- f). **TEXTILES** – VARDHMAN, ARVIND, RAYMONDS, GRASIM....
- g). **PHARMA** – CIPLA, DR REDDY, RANBAXY....
- h). **SUGAR** – TRIVENI, BAJAJ, CO – OPERATIVES....
- i). **ENGINEERING** – L&T, KIRLOSKAR, ESCORTS, JCB, MAHINDRA'S, BHEL....
- j). **RAILWAYS, DEFENCE** (NAVY, AIRFORCE, ORDNANCE FACTORIES....)

We have a reputation of superior quality products & excellent after sales service & have one of the most diversified product lines in India.
