

## WELL-COME TO PARENT

### ....THE WORLD OF RESISTANCE WELDING SPARES...

PARAMOUNT ENTERPRISES - "PARENT" is an ISO 9001:2008 certified manufacturing & exporter company in Nashik, India.

PARENT is young energetic, with highly skilled engineering team having more than 2 decade experience in resistance welding and latest technology machining facility, manufacturing all types of resistance spot welding spares & consumables.

- **Resistance welding** : standard tips, spot welding electrodes, shanks, holders, adaptors, gun arms, bracket, flexible shunts, water cooled kickless cables, jumper cables, gyro, hanger, bus-bar, trigger switch, switch handle assly, pneumatic cylinder, piston rods and many more for spot welding gun as well as stationary machine- spot- seam, flash welding , seam welding wheel, shaft, bushes, holder etc.

PARENT also offers diversity of special refractory metals for resistance spot welding like Elkonite- Tungsten, Tungsten copper, molybdenum, graphite, TZM tipped electrodes.

- **Why PARENT Spares :**

# **Fastest shipping** # **Best selection of products**

# **Most experienced engineering / workforce team**

# **Lowest price.**

- **Gun arm insulation**: Coating on gun arm, shank, holders.

PARENT is pioneer of this special technology of coating provided on resistance welding spares.

- **Features**: #Heavy insulation #increase life of spares #protects components from damage # eliminate maintenance & downtime # preserve new appearance
