BLACK & PRECIOUS METAL PRODUCT PRICELIST

Manskii group is a general commodity brokerage company that specializes in sourcing and meeting demands of its global customer base. We are integrated and/or in joint production and sales venture with principal producers in Russian energy market. We offer multi-market services ranging from commodity procurement, market analysis, feasibility studies, insurance, logistic, financial and assets management.

The commodity pricelist that we offer is varies and subjected to change without prior notice base on floatation and development in international energy market.

We observe regulations and standards of international chamber of commerce; and acknowledge right of subsidiaries and associates.
